

## ICONIC PERFORMANCE

# SOURCE UNIT FOR 2014+ HARLEY-DAVIDSON®

THE PMX-HD14 SOURCE UNIT WAS PURPOSE BUILT TO DELIVER ICONIC PERFORMANCE.

## FEATURES

### 1 FULL COLOR DISPLAY

Equipped with a 7" LCD display, this ultra-crisp infotainment center not only looks amazing, but features full touchscreen functionality that even works with riding gloves.

### 2 STREET PARTY MODE

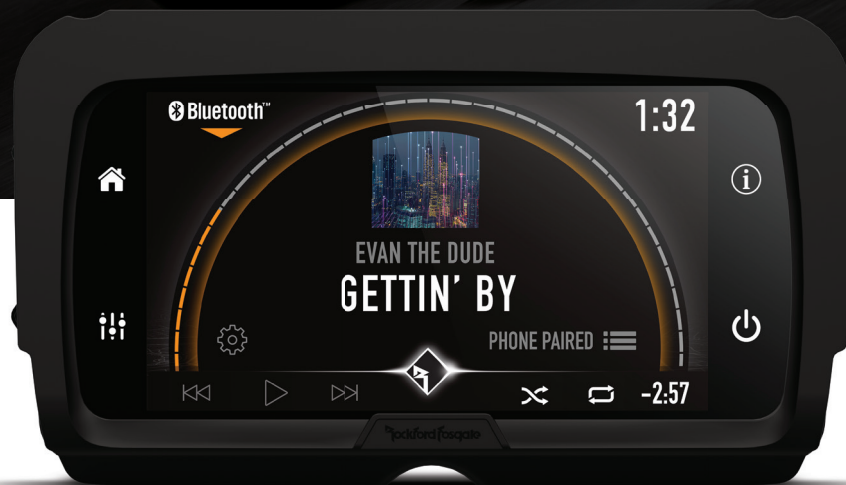

Bring the party to the streets. Street Party Mode allows everyone to pair and stream the same song through each connected PMX-HD14 radio.

### 3 OPTIMIZED TUNES

Designed specifically for your current Rockford Fosgate motorcycle audio system, we have optimized speaker specific location tunes, so no matter your current audio system you will get class leading sound.

### 4 COMPLETE CONTROL

Control however you want it. This source unit keeps all factory handlebar controls as well as CB and wireless headset connectivity, without additional parts. And with built in Apple Car Play®, controlling your playlists and apps has never been easier.
